Laurel Crackers and Cakes for the entire family

THE next time you send for crackers or cakes, you will be doing the wise thing for the entire family if you specify the LAUREL BRAND.

There is just as big a difference between various brands of crackers and cakes as there is between the cooking in various homes. This "difference" results in the delicious crispness and wholesomeness of LAUREL products and recommends them to every member of the family.

From childhood to old age the taste for them increases.

The LAUREL line includes a great variety. There is an appetizing and tasty cracker or cake for every occasion. Many housewives always keep a supply on hand and when the unexpected but often occasion arises where they need "something to serve," their problem is solved.

Don't cook all over the house!

Miss Jessie Booth, in her lectures in the Cooking School conducted by this newspaper explains that it is not necessary to have your whole house smell of smoke whenever you have deep frying to do.

"With Crisco, she says, "you need not heat your fat to the smoking point because Crisso's proper frying temperature is below its burning (or smoking) point."

Not alone in frying does Crisco improve cooking results, but it also excels as shortening for all pastries, cakes and biscuits.

Crisco - for homes that want the best in cooking.

Crisco is the trade-mark for a shortening manufactured and guaranteed purely ecgetable, by The Procter & Gamble Company, U.S. A.

There are still many sections of the country - even whole states - that are trying to operate twentieth century traffic over nineteenth century roads.

Daddy! how about that treat

The kiddies will meet you at the door!

Oh, joy-it's WRIGLEY'S! Yes, joy and benefit, for this long-lasting, inexpensive sweet helps teeth, appetite and digestion.

Children love it and all the time they're getting the good it does them.

Doctors and dentists say that chewing gum cleans the teeth and aids tooth nutrition. Also, that it helps digestion.

Nothing else at 5 cents means so much in benefit and pleasure.

So we say

We give more than credit We give everyone a Square Deal.
